The C.A.R.E. Committee helps MHNS families in need (new baby, serious illness, death in the family.) It can include making a meal, assisting with drop off and pick up of MHNS children, carpooling, or play dates to provide respite.)

If you or someone you know at MHNS recently had a baby, serious illness or death in the family, and would like some help in these areas, kindly fill out the following form and return it to C.A.R.E. Committee.

The Committee Chair will request services on your behalf. Once dates are assigned the person who volunteered for that service is responsible for providing and/or delivering to the family in need. If you have received services from family/friends or other parent groups in the past, you know how wonderful this service was, and we hope that you will reciprocate to another family in need. For those expecting children, here is an opportunity to "pay it forward" and keep the program intact so its there for you when you have your child.

Thank you in advanced for your support.
